GAME ACTION & FEATURES

* Under a starry sky, player in submarine fights off attacking helicopters with missiles and rockets
* Player maneuvers submarine in 8 directions, evades attack and fires at enemy helicopters and ships
* 30 helicopters in groups of 10 and 4 high-speed helicopters attack from different altitudes.
* Depth charges released by helicopters into the sea explode at determined underwater depth
* If helicopters are not destroyed within the time limit, helicopters attack in special assault pattern.
* When required number of helicopters destroyed, submarine surfaces. Native girl dancing on island boards submarine. Extra points!
* Ocean floor rises each time required number of helicopters destroyed.
